¹ Based on American Express GBT data, contractual agreements, and availability. Program content is subject to change without notice. Individual results may vary. Additional terms may apply. ² All discounts depend on route and class and are not combinable with corporate agreements. Air savings reflect the average gross fare difference expressed as a percentage from booking a Preferred Extras fare rather than the equivalent published fare for 2018. Equivalent refers to the same or better for fare terms and conditions. Top air routes include NYC/ORD/LAX/WAS/MIA/PHL to LON/PAR and NYC/CHI/SFO to TYO. ³ Free breakfast and/or in-room high-speed internet/Wi-Fi at 29,000+ properties, where available. ⁴ Estimated discount for car rental agencies is based on an internal audit of American Express Global Business Travel Preferred Extras program data in June 2018. The audit was made up of select US Middle Market clients without corporate negotiated rates.
