PROCUREMENT, CONTRACTING & PAYMENT SERVICES POLICY 7 HOSPITALITY POLICY

1. PURPOSE & SCOPE:

- 1.1 **Purpose.** In the conduct of day-to-day business, West Virginia University (“University” or “WVU”), the West Virginia University Research Corporation (“WVURC”), and the West Virginia University Innovation Corporation (“WVUIC”) may incur reasonable meal or other hospitality expenses for its employees, students, or guests. The purpose of this Policy is to outline the proper use of WVU, WVURC, funds for meal and hospitality expenses.
- 1.2 **Scope.** This Policy applies to all employees of WVU, WVURC, WVUIC, and WVU Affiliates when using WVU, WVURC, and WVUIC funds for meal and hospitality expenses. This does not apply to meals and hospitality expenses when using WVU Foundation funds; however, the WVU PCard can not be used for any expenses deemed unallowable in this policy regardless of whether the WVU Foundation will be reimbursing WVU for the expense. For those specific situations, a WVU Foundation card must be used to cover the expense or the invoice must be submitted directly to the WVU Foundation to process.

2. MEAL AND HOSPITALITY EXPENSES:

- 2.1 **Allowable Expenses.** The following expenses are considered allowable:
- 2.1.1 **Business Meals.** Light refreshments and meals with external parties (i.e., business associates, vendors, consultants) when such meals are in the interests of the University. This also includes conferences, workshops, seminars, and other similar functions hosted by the University.
- 2.1.2 **Courtesy Refreshments.** Light refreshments for visitors of the University.

- 2.1.6 **Recruiting Meals.** Light refreshments and meals for prospective faculty, staff or students, and their spouses/partners and children when the meals are a necessary, customary, or expected part of a recruiting process.
- 2.1.7 **University-hosted events.** Light refreshments and meals during recognized university-sponsored seminars, workshops, conferences, other similar functions where outside guests are included.
- 2.1.8 **Student Meals.** Light refreshments and meals for students representing the University or participating in official student activities.
- 2.1.9 **Working Meals.** Non-routine, reasonable light refreshments and meals consumed during working hours and all attendees are employees.
- 2.1.9.1 When the meal is funded by WVU, one of the following must be met:
- 2.1.9.1.1 When the meal is necessitated by emergency operational requirements.
- 2.1.9.1.2 When the meeting time is longer than two hours, encompasses a regular meal time, and could not otherwise be scheduled during regular working hours. This should not be for a matter of personal convenience of those attending the meeting or poor planning.

2.3.2 Any hospitality meal provided to a University employee while on travel status must be deducted from the amount allotted for that meal per diem requests (using the GSA meals and incidentals breakdown) and must include required documentation. Excess per diem allowances received are considered taxable income to the employee and possibly a violation of the WV State Ethics Act.

2.3.3 Meals involving only employees of WVU, WVURC, WVUIC, and WVU Affiliates when using WVU, WVURC, or WVUIC funds are not permissible.
